PRODUCT DESCRIPTION

The MBM Sprint 5000 is a highly productive bookletmaker designed for mid volume demands. When connected to other finishing machines, it is capable of on line corner, side, and saddle stapling to produce a variety of professional looking documents. The Sprint 5000 has a 10 sheet on line capacity and a 22 sheet off line capacity for making 88 page booklets. The 5,000 staple cartridge makes reloading infrequent for increased efficiency. Its bypass feature allows the user to skip fold rollers for side or corner stapling. It has a variable speed of up to 1,500 booklets per hour. Electronically links to the Maxxum 10 and other popular collators to efficiently produce booklets in a variety of stapling configurations.
