PRODUCT DESCRIPTION

The BQ 140 from Standard is specifically designed for on demand cut sheet adhesive tape binding. The only thing the operator needs to do is place a cover into position. A simple switch allows up to 3 binding modes. Its efficient paper dust vacuum systems keeps the area clean, making it ideal for print shops that require a clean environment. It also does double pass roughing. It includes a unique feature a dynamic nipper table that automatically senses and adjusts to the size of the book, producing a strong, square bind every time. The perfect upgrade from a desktop binder or for bringing binding in house. Capable of binding up to 200 books per hour. Binds documents up to 300 sheets 1.2 thick
