PRODUCT DESCRIPTION

The ISP Rapid 105 TM electronic bindery stapler package comes with two R105 staplers, one 16 fiber optic cable, one foot pedal, and one work shelf for mounting two or more staple heads. The adjustable power control allows precise impact setting. The dual adjustable touch trips enable exact staple placement. The hinged safety shield automatically shuts power off when lifted. The work shelf option allows multiple head stapling by linking units together with fiber optic cables. The table clamp and foot pedal allow stapling of paperboard and corrugated trays. Capable of stapling up to 45 sheets at a time. Has a 4 throat depth. Loads 210 staples.
