PRODUCT DESCRIPTION

The BQ P6 by Standard is an exceptionally versatile and compact machine with the unique ability to offer wrap around perfect binding, tape binding, and note pad binding. Once the document is inserted, the display lamp gives users specific procedures on how to finish the document. With push button simplicity, each of the 3 binding options is easily produced in less than 30 seconds. Its hot melt glue quickly dries to fill urgent needs. This easy to operate binding system displays operation procedures to accommodate any user. It is able to produce 140 perfect binds or spine taped books per hour. Additionally, it pads up to 480 1/4 note pads per hour. Binds documents up to 250 sheets 1 thick.
