### PRODUCT DESCRIPTION

The F40 Bookletmaker produces up to 1,500 quality booklets per hour. It can easily staple and fold up to 25 sheets of 20lb. bond. The soft rubber folder rollers handle a wide range of stock without marking, and an optional stacker conveyor makes packing of finished booklets easy and convenient. The F40 controls are centrally located to allow quicker set up and easier operation. The red indicator lights warns of a staple out situation and automatically stops operation to ensure that each book is finished correctly. The F40 is equipped with four all steel staple head positions that provide many years of high performance with little user maintenance. These two exceptionally durable staple heads, has a maximum magazine capacity of 210 staples for each head, making the F40 capable of producing booklets in sizes from CD brochures to sizes larger than 8 1/2 x 11 with minimal operator intervention. Repositioning staple heads is both fast and simple. Job changeover takes only seconds even with odd sheet sizes, and the top plexi glass cover allows for quick confirmation of job set up. Shown with Collator that is not included .

### PRODUCT SPECIFICATION

Voltage	110 Volt, 60 Hz, 3.5 Amps volts
Max. Paper Width	9.5 in.
Max. Paper Weight	20 bond
Max. Paper Length	17.75 in.
Sheet Capacity	25 quantity
Speed	1500 units/hr.
Min. Paper Length	4.75 in.
Min. Paper Width	12.75 in.
Num. Of Staple Heads	2 quantity

### DIMENSIONS

Weight:	143.00 lbs.
Width:	23.25 inches
Length:	20.00 inches
Height:	20.50 inches
