PRODUCT DESCRIPTION

The 213PB by HOP is a manually operated comb binder and punch with disengageable dies to enhance job versatility. You can punch for comb binding or three ring binding. Simply place the paper into the slot, pull a lever, and the bound document is ready to go. It features a comb spreader variance control to keep combs of different sizes securely open during binding. The adjustable margin gauge allows for easy page alignment for punching. Also does wire binding and 3 hole punching for binders. Punches up to 20 sheets per punch and binds documents up to 425 sheets 2 thick . Binds documents up to 12 long.
