PRODUCT DESCRIPTION

The C150 Binding Machine by Ibico is an easy to operate machine pre set to 11 binds to turn out professionally bound documents in a short amount of time. The C150 can stand up against everyday wear and tear. This reliable system gets the job done and handles typical binding projects with ease. Just insert the document into place, pull the handle twice, and the document is bound. It features a large waste bin which catches scraps and tailings. Rugged construction ensures stable life. Punches up to 20 sheets per punch and binds documents up to 425 sheets 2 thick . Binds documents up to 11 long.
